Staff Agent Fitness Reports

To Mr. None redness I was a salemed fue blockdries in the orangesting	
Services for the handling of Staff Agent Fitness Reports. Regulation No.	
lated 16 February 1956, specifies the policy, responsibilities and	
procedures concerned in the preparation of Fitness Reports for Staff Employees	8
and Staff Agents. The procedure followed is that the supervisor completes the	0
report at a specific interval, transmits it to the Reviewing Official, the	
latter forwards it to the Personnel Officer concerned who forwards the ori-	
ginal and one copy directly to the Office of Personnel (to Contract Personnel	
Division in the case of Staff Agents), and the second copy to the Career	
Service concerned for their records. We have checked our Clandestine Services	5 '
Career Service records and have found on a random inspection basis that we	
are receiving the Staff Agent Fitness Reports generally with the same regula-	
rity and under the same procedures we are for the Fitness Reports of Staff	
Employees. Several Divisions were also called to determine whether any diffe-	CP
rence existed in the handling of Staff Agent and Staff Employee Fitness Report	ts
and it was determined that no distinction was being made in the handling of	
these cases so far as Fitness Report procedures were concerned except the	
referral of Staff Agent Fitness Reports to Contract Personnel Division (where	
Staff Agent records are maintained) rather than to the PI in RSD.	
The element of the element of the contract of	

2. It is apparent from the above that there is no reason to conclude that there are any essential lapses in the handling of Fitness Report procedures for Staff Agents as opposed to Staff Employees in the Clandestine Services. It is to be expected, however, that because of the deep cover situation under which many Staff Agents operate, security consideration might occasion delays that are difficult to control in the timely submission of all Fitness Reports.
